### Press Release - Provaliant Announces Corporate Restructuring

**PHOENIX, Arizona, May 26, 2006** Provaliant, Inc has been providing service to public retirement system and healthcare clients for approximately six years. Provaliant, Inc recently formed Provaliant Retirement, LLC to exclusively serve the retirement industry and Provaliant Healthcare, LLC to exclusively serve the healthcare industry. Both new companies are managed by Provaliant Holdings, LLC which is led by Bob Solheim, President, Jay Masci President for Provaliant Retirement, LLC and W. Scott Grant, President for Provaliant Healthcare, LLC.

"The change in structure will provide clear accountability of our consultants to our clients," said Bob Solheim, President for Provaliant Holdings, LLC. "Each of our consultants will focus on either the retirement industry or healthcare industry. Both Provaliant business units will continue to provide expertise in project oversight and project management, but the level of industry expertise will be magnified."

#### **About Provaliant Holdings, LLC**

Provaliant Holdings, LLC with headquarters in Phoenix, Arizona, manages two industry-specific, nationwide project management consulting companies. Provaliant Retirement, LLC and Provaliant Healthcare, LLC. Each subsidiary Provaliant LLC provides clients with industry-experienced project management, PMO (Project Management Office) set-up and project management mentoring.
